

Material Safety Data Sheet – NATURCORK HRF

1/3

1. Identification of Substance According to 91/155 EEC

Product details:

Trade name: NATURCORK HRF (High Resistance Finish) & Others

Article number: various

Application of the substance / preparation: Floor covering

Manufacturer / Supplier:

CORKSRIBAS, Indústria Granuladora de Cortiça, S.A.

Rua do Fial, S/N – Apartado 22

4536 – 907 S. Paio de Oleiros

Portugal

Phone: +351 22 745 9007

Fax: +351 22 764 2959

Email: global@corksribas.pt

Informing department: Quality Assurance Dept.

Emergency information:

Portugal: Centro informação Anti-Venenos – CIAV, Tel.: 808 250 143

International: INFORTRAC, Tel.: +1 352 323 3500

2. Composition / Data on components

Chemical Characterization:

Description: Corksribas Floor Tiles are manufactured by pressing Pure Cork Granules, of the finest selection and a binding agent (*) together, under the effect of temperature and pressure. The tile surface is usually coated with varnish or wax, to give the finished product an unique resistance to the use it must withstand. All Corksribas Cork Floor Tiles are manufactured to conform with the technical characteristics specified in ISO 3813 and EN 12104, as described below:

(*) The type of Resin used is a water based, eco-friendly acrylic binder, containing no ingredients such as phenol, formaldehyde or isocyanate, therefore very low VOC emissions and excellent ecologic performance

Dangerous components: Not applicable

Additional information: Not applicable

3. Hazardous identification

Hazard designation: Not applicable

Information pertaining to particular dangers for man and environment: Not applicable

Classification system: Not applicable

4. First aid measures

General information: No special measures required

After inhalation: No special measures required

After skin contact: No special measures required

After eye contact: No special measures required

After swallowing: No special measures required

5. Fire fighting measures

Suitable extinguishing agents: Spraying water or a ABC powder fire extinguisher

Protective equipment: No special measures required

6. Accidental release measures

Person-related safety precautions: No special measures required

Measures for environmental protection: No special measures required

Measures for cleaning/collecting: No special measures required

Additional information: Not applicable

Material Safety Data Sheet – NATURCORK HRF According to 91/155 EEC

2/3

7. Handling and storage

Handling: No special measures required

Information for safe handling: No special measures required

Information about protection against explosions and fires: No special measures required

Storage

Requirements to be met by storerooms and containers: No special measures required

Information about storage in one common facility: Not required

Further information about storage conditions: Store cartons in laying position

8. Exposure controls and personal protection

Additional information about design of technical systems: Not applicable

Components with critical values that require monitoring at the workplace: No special measures required

Additional information: Not applicable

Personal protective equipment: No special measures required

General protective and hygienic measures: No special measures required

Breathing equipment: No special measures required

Protection of hands: No special measures required

Material of Gloves: No special measures required

Penetration time of glove material: No special measures required

Eye Protection: Use of goggles when cutting the boards

9. Physical and chemical properties:

General information:

Form: Solid

Colour: Depending on product ref.

Smell: Characteristic

Change in condition:

Melting point/Melting range: Not applicable

Boiling point/Boiling range: Not applicable

Flash point: Not applicable

Self-inflammability: Not applicable

Danger of explosion: Product is not explosive

Density at 20°C: Not applicable

Solubility in / Miscibility with water: Not applicable

pH-value at 20°C: Not applicable

10. Stability and reactivity:

Thermal decomposition / conditions to be avoided: Not applicable

Dangerous reactions: Not applicable

Dangerous products of composition: Not applicable

Material Safety Data Sheet – NATURCORK HRF According to 91/155 EEC

3/3

11. Toxicological information:

Acute toxicity:

Primary irritant effect:

On the skin: no irritant effect

On the eye: No irritant effect

Sensitization: No sensitizing effect

Additional Toxicological information: The product is not subject to classification according to the calculation method of the General EC Classification Guidelines for Preparations as issued in the latest version:

When used and handled according to specifications, the product does not have any harmful effects according to our experience and the information provided to us.

12. Ecological information

General notes: Not applicable

13. Disposal considerations:

Product:

Recommendation: To be disposed in landfills or to be burned

European waste catalogue: Not applicable

Uncleaned packaging: Not applicable

Recommendation: Not applicable

Recommended cleaning agent: Not applicable

14. Transport information:

Land transport ADR/RID and GGVS/GGVE (cross border/domestic): -

ADR/RID-GGVS/E Class: -

Maritime transport IMDG/GGVSea: -

IMDG/GGVSea Class: -

Marine pollutant: No

Air transport ICAO-TI and IATA-DGR: -

ICAO/IATA Class: -

15. Regulatory information

Designation according to EC guidelines:

Safety phrases: Not applicable

National regulations: Not applicable

Water hazard class: Not applicable

16. Other information

Department issuing this data specification sheet: Quality Assurance Dept.
